The Efficient Exam Room

VSSI has innovative products that are designed to create an exam workspace that is both efficient and convenient. By making a few updates to your exam room, you can dramatically improve care for your clients and patients, while making the work easier for you and your staff. Improvements might include the Peninsula Folding Lift Table which allows you to examine your larger patients without hurting your back or installing the new VSSI Wallhugger Folding Exam Table which provides a useful exam surface while maximizing your exam room space.

Products designed by a veterinarian for veterinarians.

Look at pages 2 and 3 to see some great suggestions for your Exam Room.

Take advantage of year-end tax benefits with Section 179 deductions, while they last!

Prepare Now For Your Winter Holiday Boarding Season!

To see the full line of VSSI products call 800-299-9525 for a FREE print or CD catalog or browse our website at www.vssi.com

All VSSI, Inc. products are shipped as soon as possible. Please let us know if a delay in shipping is required.

Stainless Steel Door Hinges
Are Mounted on Top and
Bottom – Not the Side.

Stainless Steel
Doors Are
Reversible
Side by Side Units
must open in the
same direction.

Angled
Latch Handles
Pre-Drilled Latches
For Use of a Lock

Order Doors
With or Without
A Bowl Bracket
1 quart bowls only
(included)

System Interlocks Multiple Units
Each additional Side-By-Side Run uses a common side.
Each additional Back-To-Back Run uses a common side and back.
Use of common walls reduces the cost proportionally.
1” stainless steel tubing common to sides, results in
sturdier bank.

Choice Of Configurations
Configuration may include a mix of 3’ and 4’ wide units.

Single[ ] Side-By-Side[ ] Any Number
Back[ ] Combination – Side-By-Side[ ] Any Number
To[ ] and Back-To-Back
Back

Choice of 5’ or 6’ Long Run All Runs are 6’ high without
floor frame. Frame will add 9 1/2” - 10 1/2” to height.

Sliding Doors
• Convenient one-hand operation for easier
  patient handling
• Marine grade anodized aluminum prevents
  corrosion from everyday cleaning
• Permanently lubricated glide requires no
  maintenance
• Maximizes Kennel Room(s) by eliminating
  the need for “swing door” space
• Available on 4 foot runs – provides a 24” opening

Stainless Steel Cages
Easy To Assemble – Completely Interchangeable

Easier, More Stable Assembly

VSSI’s unique “Lap-Lock” overlapping, locking, uniframe mounting system makes assembly much easier and the overall structure more durable.

Multiple 6” centered self-tapping holes within the uniframed system are utilized to securely lock cages together.

Strong Door Latches and Assemblies
Secure, yet easy to open and close.

Can be mounted together to fit the specific need of your facility.
