The Efficient Exam Room

VSSI has innovative products that are designed to create an exam workspace that is both efficient and convenient. By making a few updates to your exam room, you can dramatically improve care for your clients and patients, while making the work easier for you and your staff. Improvements might include the Premier Mobile Lift table which allows you to transport and examine your large and critical patients without straining your back; or installing one of the VSSI folding exam tables which provides a useful exam surface while maximizing your exam room space.

Look at pages 2 and 3 to see some great suggestions for your Exam Room.

To see the full line of VSSI products browse our UPDATED WEBSITE www.vssi.com or call 800-299-9525 for a FREE catalog.

Prices and/or specifications are subject to change without notice.

**LAMINATE SPECIAL**

Custom Color Same Price As White

Matte Finish Only. Exotics Not Included.

**Exam Cabinets Are Available With Stainless Steel, Laminate or Built-In The VSSI Way™ Scale Top See page 16.**

Order Cut-Away Cabinets With Doors & Drawers On The Left Or Right

To determine left or right hand specification:

Imagine yourself standing at the end of the cabinet (at the cut-away knee space).

Look down the length of the cabinet.

Are the drawers & doors on your left or right hand side?

**Exam Cabinets Are Available With Stainless Steel, Laminate or Built-In The VSSI Way™ Scale Top See page 16.**
### Exam Room Cabinets

**Our Cabinet Materials Are 20% Thicker Than Competitive Brands!**

#### Laminate Wall Cabinets

VSSI Kennel Runs

1" Stainless Steel Square Tubing

Isolation Panels Constructed Of 22 Gauge, 304 Stainless Steel Sheets

4' Of Visual Isolation

Formed Edges For Tight Seal

System Interlocks Multiple Units

Each additional Side-By-Side Run uses a common side.
Each additional Back-To-Back Run uses a common side and back.
Use of common walls reduces the cost proportionally.
1" stainless steel tubing common to sides, results in sturdier bank.

Standard Door

- Reversible stainless steel doors – side by side units now may be opened in opposite directions.
- Stainless steel door hinges are mounted on top and bottom – not the side.

CALL FOR CUSTOM PRICING!
Cost Varies By Number of Units, Size, and Configuration

Sliding Door

★ INDUSTRY EXCLUSIVE ★

- Convenient one-hand operation
- Maximizes kennel room(s) eliminates need for "swing door" space
- Maintenance free marine grade anodized aluminum glide
- Also available with glass panels available on 4 foot runs / provides a 24" opening

Glass Door

- Open view boarding for owner comfort or full view observation
- Easy, convenient cleaning
- Aesthetically pleasing
- Scratch resistant
- Also available as sliding model

Choice Of Configurations

Configuration may include a mix of 3’ and 4’ wide units.

Choice of 5’ or 6’ Long Run

All Runs are 6’ high without floor frame. Frame will add 9 1/2" - 10 1/2" to height.

3/8" Diameter Stainless Steel Rods

1" Solid Cell Insulation Between Panels (Impermeable To Liquids)

Angled Latch Handles
Pre-Drilled Latches For Use of a Lock

4' Kennel With Optional Floor System and Standard Door Shown

Patent Pending
Easier, More Stable Assembly

VSSI’s unique “Lap-Lock” overlapping, locking, uniframe mounting system makes assembly much easier and the overall structure more durable. Multiple 6” centered self-tapping holes within the uniframed system are utilized to securely lock cages together.

Single Cages

Can be purchased in the sizes listed below.
